## ABOUT THE STATE

Three more cases of typhoid fever were reported to Health Officer C. F. Hall of Rutland Tuesday. Two cases of chicken pox have also come to light.

For the second time within a week the lunch room of Morse and Houghton at Bellows Falls was entered Wednesday. Cigars and pipes to the value of \$25 were taken.

Mrs. Mary Baker Clark of Johnson fell from the doorstep of William Rood's house in St. Albans last Friday morning and was seriously injured about the head. She was removed to the St. Albans hospital. Doubts are entertained as to her recovery.

In the vicinity of Morrisville the potato crop is the most successful it has been for several years. H. Waite & Sons of that place loaded 9,000 bushels at the station last week and more are coming in every day. The quality of the crop is very good.

About 90 members of the freshman class of Middlebury college arrived at Rutland Tuesday afternoon and had their annual banquet at the Hotel Rutland. The crowd got away from Middlebury in a special train without interference from the sophomores.

An attempt was made to enter the house occupied by two Jews in St. Johnsbury Monday night. The burglars first several shots and tried to batter in the door, but were scared away by one of the occupants jumping out of the window and giving the alarm. There have been three attempts to enter this house within the past two months.

Two citizens of St. Johnsbury, R. A. Moore and E. M. Harris, have been collecting pearls in a brook near that place for some time. As a result of an expedition Monday, Mr. Moore found 21 pearls in clams which reside in Kirby Pond brook. Four of the stones are valuable, one of the pink tint found will bring about \$50. Last year a pearl was found in the same vicinity that was sold for \$100.

## THE VERMONT SANATORIUM.

Information Concerning the Rules and Regulations of Interest to Applicants—Local Examiners.

In order to furnish the information sought by applicants, the executive committee of the Vermont sanatorium for incipient tuberculosis, given to the people of Vermont by the late United States Senator Redfield Proctor, have issued the following statement:

1. The Vermont sanatorium is primarily intended for incipient cases of pulmonary tuberculosis. It believes that by the treatment of such cases it can do the greatest good to the greatest number.

2. It is a charitable institution, partly supported by an endowment also given by him; but it was not intended as a free charity and patients are required to pay a part of their expenses. Its simple running expenses for the year 1908 were \$13,500 for each patient, and including a proper interest and depreciation charge amounted to about \$22.50 per week, of which amount one-third was paid by the patients and the other two-thirds was the result of the gift of Senator Proctor.

3. It is a charitable institution, partly supported by an endowment also given by him; but it was not intended as a free charity and patients are required to pay a part of their expenses. Its simple running expenses for the year 1908 were \$13,500 for each patient, and including a proper interest and depreciation charge amounted to about \$22.50 per week, of which amount one-third was paid by the patients and the other two-thirds was the result of the gift of Senator Proctor.

4. The sanatorium finds itself taxed to its utmost in order to keep within its income, and it has only been able to do that with the generous help of a devoted friend. It regrets that it has no available fund out of which to pay any part of the \$7.50 per week required to be paid by patients.

5. When patients are unable to pay this amount, their relatives, friends or neighbors in the locality from which they come must undertake to pay it for them.

6. So long as there are vacancies applicants otherwise eligible will be received without reference to their financial condition.

7. When the number of applications exceeds the vacancies, preference will be given those who are least able to pay full price elsewhere.

8. Applications should be made on regular blanks obtained from the sanatorium, to be filled out and signed by the family physician.

9. Applicants should send with their applications the names of two persons, well known and of high standing in their community, from whom inquiry can be made as to the applicant's character and reputation.

10. Applicants will then be referred to the nearest medical examiner whose report and that of the family physician will be acted upon by the medical director and committee. From among the applicants the most suitable applicants are selected. Those selected will be received at once if there are vacancies; otherwise they will be placed upon the waiting list.

11. On admission to the sanatorium, patients are expected to conform cheerfully and promptly to the rules prescribed for their mutual welfare and protection. Otherwise they will be dismissed.

12. Any patient who fails to improve after a reasonable stay in the sanatorium will be discharged.

13. It is an experience so far that for financial or home reasons the majority of patients who have begun to improve leave the sanatorium before they can be discharged as cured. For the purpose of a permanent cure, patients ought to stay until the medical director advises their discharge.

14. The \$7.50 referred to includes \$7.00 for room, board, medical attendance and nursing, and 50 cents for laundry, spitum cups, gauze, etc. The sanatorium has a capacity of forty patients.

## VERMONT COLONIAL DAMES.

Closed Convention at St. Albans Last Evening.

St. Albans, Oct. 14.—The 12th annual meeting of the Vermont society of Colonial Dames closed last night with a brilliant function at the home of ex-Gov. and Mrs. Edward Curtis Smith, when the visiting delegates and resident members of the Daughters and Sons of the American Revolution were favored with a most interesting lecture by Mr. Louis Elson of Boston on "Our National Music and Its Sources," illustrated by songs. Dainty refreshments were served.

The meeting opened with a business session at the Antioch club in the forenoon, when the president, Mrs. F. Stewart Stranahan, presided. There was prayer by Mrs. L. B. Lord of Burlington followed by the singing of "America" and then the roll of members was called.

Mrs. Nathan N. Post, in behalf of Bellevue chapter, welcomed the delegation and the responses in their behalf were by Miss Valentine of Bennington. The state regent, Mrs. C. N. North of Shoreham brought greetings from a state and Mrs. Ernest H. Lewis, regent of Bellevue chapter extended greetings in their behalf.

Reports were received from the regent, Mrs. Marcus D. Greene, by the corresponding secretary, Mrs. Edward Curtis Smith; by the treasurer, Mrs. M. M. Tuttle of Poultney; by the registrar, Mrs. W. G. Andrews of Montpelier and the historian, Mrs. A. E. Leavenworth of Castleton. There were also reports by Mrs. E. C. Smith in behalf of the committee on the Isle La Motte marker, erected to the memory of Seth Warner, and Remember Baker, and by Mrs. Frank L. Rowe of Northfield on behalf of the committee on the Dorset marker. Mrs. W. B. C. Stickney of Bethel was elected a member of the board of management.

At 2 o'clock in the afternoon the visitors assembled at the club rooms and were taken for automobile rides about the city and the vicinity. At four o'clock, a large reception was tendered at the home of Mrs. W. Beecher Fonda. The guests were received by Mrs. F. Stewart Stranahan, president of the Colonial Dames, Mrs. C. N. North, state regent of the Daughters, and Mrs. Ernest H. Lewis, regent of the Sons of the American Revolution.

Dr. and stationery store in good large town. Owned by a lady who wants to sell at once. \$1,500. A bargain for someone. 1714

Wall paper, paint and varnish store; small stock. Good location. 1715

Three-chamber barber shop. 1716

Rickshaw and wheelwright shop. Well located. 1717
